

STUDYING POSSIBILITIES FOR VARKAUS EAGLES TEAM AT SAVONIA UNIVERSITY OF APPLIED SCIENCES

Savonia University of Applied Sciences Varkaus offers programmes for Bachelor of Business Administration (BBA), Bachelor of Engineering as well as studies at Open University of Applied Sciences.

FULL DEGREE PROGRAMMES

(The Bachelor/Engineering Degree can only be taken with these Degree Programmes)

Degree Programme in Industrial Management, Bachelor of Engineering (240/30 cr)

The aim of the Degree Programme in Industrial Management is to educate professionals in engineering, production, marketing and business management in the field of international business. The Degree Programme qualifies you for various duties in the fields of engineering and international business, production planning, management and R&D.

Studies in engineering focus especially on industrial and mechanical engineering and project management. Studies in business concentrate on management and leadership, marketing, financial management and international business as well as on project management and information technology applications.

Selection criteria: General admission criteria

Degree Programme in International Business Bachelor of Business Administration (210/30 cr)

The BBA Degree Programme Studies will deal with international activities in business. Theory and practice are effectively combined: individual as well as team and project work are part of your studies. Some of your fellow students will come from foreign countries and students have the possibility to take courses abroad at any of our foreign partner institutions. The studies are based on business orientation studies e.g. economics, mathematics, information technology, customer-oriented business and language studies.

The specialisation field is International Marketing Management.

Selection criteria: General admission criteria

How to Apply?

Applying to programmes conducted in English at UAS takes place through a system of joint application. Prospective students can apply to four different degree programmes at UAS using the same application form. The application form can be submitted online or sent by post to the admissions office of the applicant's first choice UAS. Apply online at www.admissions.fi. It is important to follow all the instructions. The printed and signed form must be sent to the admissions office of the UAS of the applicant's first choice.

Additional admission for academic year 2007-2008

The Additional Admission period is from 1 June to 13 August 2007.

Signed paper applications with all required attachments must arrive at the admissions office by 13th August at 4.15 PM Finnish time (+2 hrs GMT).

Entrance examination will be held on 24th August 2007. If any further questions, please contact the admission office, admissions@savonia-amk.fi.

General Admission in spring 2008

The General Admission period for the academic year 2008-2009 will be informed later on.

Eligibility

Eligibility for studies at UAS depends on completing the Finnish Matriculation examination or upper secondary examination, European Baccalaureate, International Baccalaureate or Reifeprüfung examination, vocational qualification of three years or more in duration, a non-Finnish degree or studies equivalent to these qualifications. A vocational qualification of less than three years in duration gives eligibility to a corresponding field of study. Eligibility for UAS studies in a corresponding field of study may be broadened into general eligibility for UAS studies. UAS evaluate applicants' language skills in a language test included in the entrance examination. An applicant who fails the language test is withdrawn from admission.

STUDYING POSSIBILITIES FOR VARKAUS EAGLES TEAM AT SAVONIA UNIVERSITY OF APPLIED SCIENCES

OPEN UNIVERSITY OF APPLIED SCIENCES

(These studies do not provide Bachelor/ Engineering Degree)

2.1 OPEN UNIVERSITY OF APPLIED SCIENCES AT THE SAVONIA UNIVERSITY OF APPLIED SCIENCES

Open University of Applied Sciences offers education in accordance with the degree requirements of Savonia University of Applied Sciences.

However, it is to be notified that in Open University of Applied Sciences one is not able to graduate from a degree programme, neither complete a Bachelor's thesis. The credits studied at Open University of Applied Sciences may be accredited later on at the corresponding degree programme at University of Applied Sciences, if the student is approved to study the degree programme as mentioned in section 1.

All the studies in the degree programmes of Bachelor of Business Administration as well as Engineering are available in Varkaus, provided that the student groups in the degree programmes are not full. It is customary that there are only few vacancies available.

All the players of the Varkaus Eagles team are offered the following studies at Open University of Applied Sciences in autumn 2007. The fee for the academic year is 200 euros and covers the following courses:

- Introduction to Studies and Finnish Society (3 cr)
- tailored especially to the Varkaus Eagles team
- Finnish for Foreigners (3 cr)
- Basics of Information Technology (4 cr)
- Office Techniques and Applications (4 cr)
- Basics of Marketing (5 cr)
- Basics of Mathematics (3 cr)
- Mechanics (5 cr)
- Mathematics 1 (5 cr)

2.2 POSSIBILITIES TO STUDY IN SPRING 2008

Savonia University of Applied Sciences will make an offer for Varkaus Eagles team concerning the education and fees in spring 2008.

With this procedure we will ensure that the Varkaus Eagles team will receive the best education possible, since the general yearly fee of Open University of Applied Sciences will not cover the special needed for the tailored education for the team.

How to Apply?

Students apply for Open University of Applied Sciences by filling in an application form and faxing/emailing it to the Student Office in Varkaus Campus as soon as possible, fax number +358 17 255 6763 or email: sirkka.sopanen@savonia-amk.fi.

The enrollment will be verified by the Open University of Applied Sciences with a letter of acknowledgement, after which the student should confirm the studies immediately to the Student Office.
